**The Secrets of Hebrew Words** May 08 2021 Ever since the earliest times, Jewish scholars have looked to the Hebrew language as a source of holiness and a wellspring of wisdom. Both letters and words, it has always been assumed, they have hidden messages and secrets to be sought after, as if we are opening a shell to extract the fruit. Rabbi Benjamin Blech has gathered many examples of the meanings hidden within Hebrew words and has explained them to the modern reader\_ even those who do not know any Hebrew. The result is both a fine illustration of this activity as well as a book rich with Jewish insight and teachings.

**Dethroning Mammon: Making Money Serve Grace** Aug 23 2022 In his first full-length book Justin Welby looks at the subject of money and materialism. Designed for study in the weeks of Lent leading up to Easter, Dethroning Mammon reflects on the impact of our own attitudes, and of the pressures that surround us, on how we handle the power of money, called Mammon in this book. Who will be on the throne of our lives? Who will direct our actions and attitudes? Is it Jesus Christ, who brings truth, hope and freedom? Or is it Mammon, so attractive, so clear, but leading us into paths that tangle, trip and deceive? Archbishop Justin explores the tensions that arise in a society dominated by Mammon's modern aliases, economics and finance, and by the pressures of our culture to conform to Mammon's expectations. Following the Gospels towards Easter, this book asks the reader what it means to dethrone Mammon in the values and priorities of our civilisation and in our own existence. In Dethroning Mammon, Archbishop Justin challenges us to use Lent as a time of learning to trust in the abundance and grace of God.

**Decoding Mammon** Jun 09 2021 Decoding Mammon is an exposition of the negative assessment of money implied in Jesus' statement, "You cannot serve God and Mammon." On the basis of the theology enshrined in the Old and New Testaments and in the long-term tradition of the church, it is claimed that problems associated with money do not arise simply from the way it is used, but from the nature of money itself. Despite the fact that money has enabled great economic development, and in contrast with the general consensus of governments, economists, and many theologians that money is either a positive or neutral instrument, the book seeks to show that money is a deeply flawed instrument, created by fallen human beings, and fashioned over the years to suit the interests of those in power rather than the needs of people in general. It is argued that money should only be allowed to operate within severe restrictions, and that any reformulation of the global economy as a result of the recent financial crisis needs to be based on this understanding.

**Rabbinic Authority, Volume 3** Apr 26 2020 In the third volume of his groundbreaking series on rabbinic authority in English, Rabbi Warburg discusses the ramifications of a Jewish divorce. In this well-composed monograph, Rabbi Warburg primarily focuses on the case of the modern day agunah, a wife who is unable to get divorced due to her husband's recalcitrance. He addresses the various techniques, such as obligating the giving of a get (Jewish divorce document), finding relief for an agunah who signed an exploitative agreement, and listing different avenues to void a marriage (bitul kiddushin) used by the rabbinical court. This issue is of some controversy in the Jewish community, and there is heated debate about it.

*God and Mammon* Aug 31 2020 Award-winning essayist Lance Morrow writes about the partnership of God and Mammon in the New World—about the ways in which Americans have made money and lost money, and about how they have thought and obsessed about this peculiarly American subject. Fascinated by the tracings of theology in the ways of American money Morrow sees a reconciliation of God and Mammon in the working out of the American Dream. This sharp-eyed essay reflects upon American money in a series of individual life stories, including his own. Morrow writes about what he calls “the emotions of money,” which he follows from the catastrophe of the Great Depression to the era of Bill Gates, Oprah Winfrey, and Donald Trump. He considers money’s dual character—functioning both as a hard, substantial reality and as a highly subjective force and shape-shifter, a sort of dream. Is money the root of all evil? Or is it the source of much good? Americans have struggled with the problem of how to square the country’s money and power with its aspiration to virtue. Morrow pursues these themes as they unfold in the lives of Americans both famous and obscure: Here is Thomas Jefferson, the luminous Founder who died broke, his fortune in ruin, his estate and slaves at Monticello to be sold to pay his debts. Here are the Brown brothers of Providence, Rhode Island, members of the family that founded Brown University. John Brown was in the slave trade, while his brother Moses was an ardent abolitionist. With race in America a powerful subtheme throughout the book, Morrow considers Booker T. Washington, who, with a cunning that sometimes went unappreciated among his own people, recognized money as the key to full American citizenship. God and Mammon is a masterly weaving of America’s money myths, from the nation’s beginnings to the present.

**Milton's Creation** Jun 28 2020 First published in 1971. The intention of Milton's Creation is to provide the student with a simple and direct entry into Paradise Lost. The author is not concerned with taking sides in critical controversy. His aim is to elucidate Milton's primary meanings; this is a work of exegesis, not of interpretation. In this new book, on arguably the greatest epic in the English language, the central substance of Milton's 'great Argument' is articulated with great clarity. By keeping in mind the epic status and universality common to Paradise Lost and Ulysses, the author introduces a post-Joycean perspective into his vision of Milton's Creation.

**Boundaries of Loyalty** Apr 19 2022 Talmudic legislation prescribed penalty for a Jew to testify in a non-Jewish court, against a fellow Jew, to benefit a gentile - for breach of a duty of loyalty to a fellow Jew. Through close textual analysis, Saul Berman explores how Jewish jurists responded when this virtue of loyalty conflicted with values such as Justice, avoidance of desecration of God's Name, deterrence of crime, defence of self, protection of Jewish community, and the duty to adhere to Law of the Land. Essential for scholars and graduate students in Talmud, Jewish law and comparative law, this key volume details the nature of these loyalties as values within the Jewish legal system, and how the resolution of these conflicts was handled. Berman additionally explores why this issue has intensified in contemporary times and how the related area of 'Mesirah' has wrongfully come to be prominently associated with this law regulating testimony.

**The Hayford Bible Handbook** Nov 26 2022 The Hayford Bible Handbook continues to offer charismatic and Pentecostal Christians a major reference tool that provides easy access to a wealth of biblical and practical information. Are you a Spirit-filled Christian who longs for fresh insights from the Bible? Do you want God's truth to challenge you, and change you, and bless others through you in ways you never thought possible? The Hayford Bible Handbook is an unparalleled resource that unveils the Keys to Scripture uniquely, providing not only a wealth of information, but also a spiritual stimulus that will encourage your faith and service to Christ. Features Kingdom Keys to opening up Spirit-filled life emphases in each Bible book An informative Survey section for each book of the Bible Hundreds of Kingdom Life Insights™, offering Spirit-filled life perspectives on individual verses A Truth-in-Action chart for each Bible book, highlighting practical principles and specific actions that might grow out of them The unique Spirit-Filled Life® Encyclopedic Dictionary with over 1300 entries, including word studies and Kingdom Dynamics articles Visual Survey of the Bible

**The Gospel According to Matthew Volume I** Dec 23 2019 The Gospel of Matthew, Volume one, is the first in a six or seven volume set. Three hundred and twenty five sermons were preached, in a seven and a half year period, in public worship, through every word and every verse of the Gospel.

**How She Likes It** Aug 11 2021 CEO-in-training, heiress and cosmetics company marvel Isabel Alfonso needs to hire an assistant. She needs to hire someone who is smart and competent to arrange a trip to Shanghai for her to meet with potential business partners. She needs to learn how to let go of her cosmetics company, her baby, in order to take on the CEO role which she's been groomed for her entire life. What she does not need to hire is a young single dad, last seen with her in bed as a one night stand. Falling for Adam Sevilla is a complication that Isabel doesn't need. And with so much on the line, she can't afford to make any mistakes. Can she really leave everything behind, just to head the family business? Or will she hold on to what she has with zero guarantees?

*Friends of the Unrighteous Mammon* Apr 07 2021 What did Protestants in America think about capitalism when capitalism was first something to be thought about? The Bible told antebellum Christians that they could not serve both God and mammon, but in the midst of the market revolution most of them simultaneously held on to their faith while working furiously to make a place for themselves in a changing economic landscape. In Friends of the Unrighteous Mammon, Stewart Davenport explores this paradoxical partnership of transcendent religious values and earthly, pragmatic objectives, ultimately concluding that religious and ethical commitments, rather than political or social forces, shaped responses to market capitalism in the northern states in the antebellum period. Drawing on diverse primary sources, Davenport identifies three distinct Christian responses to market capitalism: assurance from clerical economists who believed in the righteousness of economic development; opposition from contrarians who resisted the changes around them; and adaptation by the pastoral moralists who modified their faith to meet the ethical challenges of the changing economy. Delving into the minds of antebellum Christians as they considered themselves, their God, and their developing American economy, Friends of the Unrighteous Mammon is an ambitious intellectual history of an important development in American religious and economic life.

**Mazzaroth** Jan 04 2021 In Mazzaroth; or The constellations, originally published in 1862, 19th-century English linguist and scholar FRANCES ROLLESTON (1781-1864) presents readers with her theory of the gospel in the stars. Rolleston believed that through the ancient names for the stars, one could discover the oldest knowledge transmitted from God to man: the method of man's redemption and the coming of the Jewish messiah. Mentioned in the book of Job, the Mazzaroth is generally believed to be the signs of zodiac. By passing through each sign, a person with a full understanding of the constellations and their meanings can interpret God's message. Rolleston painstakingly provides readers with evidence, she claims, that the signs of the zodiac are an allegory for the New Testament. Through Egyptian hieroglyphs, Assyrian writings, and even the writings in ancient Mexico, she constructs a system of symbols and metaphors all of which attest to a singular meaning to the arrangement of the constellations. Students of the occult and readers with an interest in astrology will find this an entertaining read.

*The Book of Mammon* Jan 16 2022 Everyone yearns for “the good life” ... where children are reared in a loving, stimulating environment ... where youth are prepared for their future ... where adults achieve satisfaction through personal relationships and meaningfully rewarding work ... and where seniors find peace in their “golden” years. Typically, it entails economic sufficiency. Yet, when this universal hope becomes reality, many Christians confront a disturbing faith challenge. Jesus taught his followers to postpone earthly satisfactions until the next life. In the present world, their blessings will be found in poverty, hunger, sorrow, and persecution. Woe to those with wealth, full stomachs, laughter, and popularity! Christ practiced and demands self-denial, not self-satisfaction. Entry into Jesus' severe life-style is difficult and the path is arduous. Multitudes are called but only a select few actually follow the way to eternal life that requires crucifixion of one's self. This book is a thought-provoking biblical analysis of the gospel's opposition to wealth. One cannot serve both God and money. The Christian dilemma is that practical faith absolutely requires compromise. Money is necessary for daily life and future needs. How is it possible to follow Christ in this money-driven society? The Book of Mammon searches the Bible for the surprising resolution.

*Manuál zralé ženy* Mar 18 2022 Povídky plné lásky a absurdních situacíHalina Pawlowska tvrdí, že když slyší slovo „zralá“, vybaví se jí sýr, u kterého je nejvyšší ?as ho zkonzumovat. Zárove? ale ?íká, že zralost je báje?ná! Bu? z toho d?vodu, že si m?žete gratulovat, že jste se dožili už p?kného po?tu let, anebo proto, že jste sice ješt? velice mladí, ale jste jedinci s moudrým pohledem na sv?t. Zralost má, bohužel, ale i negativní stránku. Zralost totiž nikoho nep?itahuje. Zralý muž nevzbuzuje takovou chu? jako zralý meloun a zralá padesátnice prost? není broskev k nakousnutí. A jestliže jste to ale nezabalili a chcete vzbuzovat touhu, jak z toho? Sta?í se držet Halininých zásadních rad. Pak vám bude jasné, jak zvládnout své šikanující d?ti, zv?tšující se t?lo, jak znovu najít lásku a jak se smát všemu blbému, co vás potká. A o to p?ece vždycky jde!

*The Enchantments of Mammon* Jul 22 2022 Eugene McCarrher challenges the conventional view of capitalism as a force for disenchantment. From Puritan and evangelical valorizations of profit to the heavenly Fordist city, the mystically animated corporation, and the deification of the market, capitalism has hijacked our intrinsic longing for divinity, laying hold to our souls.

*Primal Panacea* Jul 30 2020 Primal man benefited from a powerful cure-all that continually coursed through his blood vessels. This substance -- made in the liver -- protected him from an overwhelming list of health challenges that, until recently, were rare causes of death. Due to a genetic error of metabolism, the vast majority of us no longer produce this panacea, making us increasingly susceptible to cancer, heart disease, osteoporosis, dementia, diabetes, and many other very costly, and often fatal maladies. Thousands of scientific studies prove that sufficient quantities of this substance in the bloodstream still provide the same protective and curative properties experienced long ago. Dr. Levy cites over a thousand of these published reports as he relates the history and science of the "primal panacea" in an easy-to-read and entertaining way. He also relates simple and powerful ways to boost blood levels to those once enjoyed by our ancient ancestors. Primal Panacea is chock full of proof, resources, and practical how-to. It will save you money, it will greatly improve your odds for a long and healthy life -- we guarantee it
