What if the real key to a richer and more fulfilling career was not to create and scale a new start-up, but rather, to be able to work for yourself, determine your own hours, and become a (highly profitable) and sustainable company of one? Suppose the better--and smarter--solution is simply to remain small? This book explains how to do just that. Company of One is a refreshingly new approach centered on staying small and avoiding growth, for any size business. Not as a freelancer who only gets paid on a per piece basis, and not as an entrepreneurial start-up that wants to scale as soon as possible, but as a small business that is deliberately committed to staying that way. By staying small, one can have freedom to pursue more meaningful pleasures in life, and avoid the headaches that result from dealing with employees, long meetings, or worrying about expansion. Company of One introduces this unique business strategy and explains how to make it work for you, including how to generate cash flow on an ongoing basis. Paul Jarvis left the corporate world when he realized that working in a high-pressure, high profile world was not his idea of success. Instead, he now works for himself out of his home on a small, lush island off of Vancouver, and lives a much more rewarding and productive life. He no longer has to contend with an environment that constantly demands more productivity, more output, and more growth. In Company of One, Jarvis explains how you can find the right pathway to do the same, including planning how to set up your shop, determining your desired revenues, dealing with unexpected crises, keeping your key clients happy, and of course, doing all of this on your own. Streamline your online marketing, so you can spend less time marketing, and more time doing work you love! New York Times bestselling author and Life Designs, Inc. creator Martha Beck shares her step-by-step program that will guide you to fulfill your own potential and create a joyful life. In this book, you'll start by learning how to read the internal compasses already built into your brain and body--and why you may have spent your life ignoring their signals. As you become reacquainted with your own deepest desires, you'll identify and repair any unconscious beliefs or unhealed emotional wounds that may be blocking your progress. This will change your life, but don't worry--although every life is unique, major transformations have common elements, and Beck provides a map that will guide you through your own life changes. You'll learn how to navigate every stage, from the first flickering appearance of a new dream to the planning and implementation of your own ideal life. Based on Dr. Beck's work as a Harvard-trained sociologist, research associate at Harvard Business School, instructor at Thunderbird Business School, and especially on her experiences with her clients over the last six years, Finding Your Own North Star offers thoroughly tested case studies, questionnaires, and exercises to help you articulate your core desires and act on them to build a more satisfying life. "Explorers depend on the North Star when there are no other landmarks in sight. The same relationship exists between you and your right life, the ultimate realization of your potential for happiness. I believe that a knowledge of that perfect life sits inside you just as the North Star sits in its unaltering spot." -- Martha Beck

Can you learn to be lucky? Self-made millionaire Denise Duffield-Thomas not only believes this is possible, she knows it's possible. From being broke, hating her office job and generally having a life that made her completely miserable, Denise went on to travel the world and make all of her dreams come true within the space of a few years. She attracted more than half a million dollars-worth of free travel, scholarships, prizes and bank errors in her favour, and in this book she reveals how you can do the same. Whether you're already lucky and want to attract even more into your life, or you feel like your luck is just about to run out, Lucky Bitch will show you how to take action in areas of your life that are lacking in magic. With her trademark humour and encouragement, Denise gives clear and effective instructions based on the principles of the Law of Attraction to get you closer to living your dream life. You'll also learn the 'Ten Lucky Bitch Commandments' and how to use them to create luck in all areas of life, including business and money. This book has already changed the lives of tens of thousands of women. Now it has the potential to change yours. If you've been asking for an answer or a miracle, this book is it! From the creator of Product Launch Formula: A new edition of the #1 New York Times best-selling guide that's redefined online marketing and helped countless entrepreneurs make millions. The revised and updated edition of the #1 New York Times bestseller Launch will build your business - fast. Whether you've already got an online business or you're itching to start one, this is a recipe for getting more traction and a fast start. Think about it: What if you could launch like Apple or

the big Hollywood studios? What if your prospects eagerly counted down the days until they could buy your product? And you could do it no matter how humble your business or budget? Since 1996, Jeff Walker has been creating hugely successful online launches. After bootstrapping his first Internet business from his basement, he quickly developed a process for launching new products and businesses with unprecedented success. And once he started teaching his formula to other entrepreneurs, the results were simply breathtaking. Tiny, home-based businesses started doing launches that brought in tens of thousands, hundreds of thousands, and even millions of dollars. Whether you have an existing business or you're starting from scratch, this is how you start fast. This formula is how you engineer massive success. Now the question is this: Do you want to start slow, and fade away from there? Or are you ready for a launch that will change the future of your business and your life? Discover a menu of ten behaviors you can add to your way of living and thinking to enhance every day's journey through the unpredictable terrain of your existence. Add these behaviors gradually and watch your life become steadily more vivid and satisfying. Or you can go on a "crash Joy Diet" to help you navigate life's emergencies. The ten menu items are: • Nothing: Do nothing for fifteen minutes a day. Stop mindlessly chasing goals and figure out which goals are worth going after. • Truth: Create a moment of truth to help you unmask what you're hiding—from others and from yourself. • Desire: Identify, articulate, and explore at least one of your heart's desires—and learn how to let yourself want what you want. • Creativity: Learn six new ways to develop at least one new idea to help you obtain your heart's desire. • Risk: Take one baby step toward reaching your goal. The only rule is it has to scare the pants off you. • Treats: Give yourself a treat for every risk you take and two treats just because you're you. No exceptions. No excuses. • Play: Take a moment to remember your real life's work and differentiate it from the games you play to achieve it. Then play wholeheartedly. • Laughter: Laugh at least thirty times a day. Props encouraged. • Connection: Use your Joy Diet skills to interact with someone who matters to you. • Feasting: Enjoy at least three square feasts a day, with or without food. No matter what your long-term goals are, *The Joy Diet*, written with Martha Beck's inimitable blend of wisdom, practical guidance, and humor, will help you achieve the

immediate gift of joyful living in the here and now. Begin your journey today. A #1 New York Times Bestseller "This book will change lives." -- Elizabeth Gilbert, author of *Eat, Pray, Love* Now in paperback with a new prologue, the indispensable handbook for becoming the creative force of your own life by the host of the award-winning MarieTV and The Marie Forleo Podcast. While most self-help books offer quick fixes, *Everything is Figureoutable* will retrain your brain to think more creatively and positively in the face of setbacks. In the words of Cheryl Strayed, it's "a must-read for anyone who wants to face their fears, fulfill their dreams, and find a better way forward." If you're having trouble solving a problem or reaching a dream, the problem isn't you. It's that you haven't yet installed the one belief that changes everything. Marie's mom once told her, "Nothing in life is that complicated. You can do whatever you set your mind to if you roll up your sleeves. Everything is figureoutable." Whether you want to leave a dead end job, break an addiction, learn to dance, heal a relationship, or grow a business, *Everything is Figureoutable* will show you how. In this revised and updated edition, you'll learn: The habit that makes it 42% more likely you'll achieve your goals. How to overcome a lack of time and money. How to deal with criticism and imposter syndrome. It's more than just a fun phrase to say. It's a philosophy of relentless optimism. A mindset. A mantra. A conviction. Most important, it's about to make you unstoppable. Feeling burned out by your business? Sick of the 'hustle and grind' culture of your industry? There's a better way! Get over your perfectionism and embrace the flow of the Chillpreneur. Denise Duffield-Thomas, money mindset coach and best-selling author, will show you how with her trademark humor and down-to-earth wisdom. Whatever obstacles you face, this book will show you how to stop thinking small, make positive changes and live the life you deserve. A new edition with expanded content is available now, "The Go-Giver, Expanded Edition: A Little Story About a Powerful Business Idea" An engaging book that brings new relevance to the old proverb "Give and you shall receive" The Go-Giver tells the story of an ambitious young man named Joe who yearns for success. Joe is a true go-getter, though sometimes he feels as if the harder and faster he works, the further away his goals seem to be. And so one day, desperate to land a key sale at the end of a bad quarter, he seeks advice from the enigmatic Pindar, a legendary consultant referred to by his many devotees simply as the Chairman. Over the next week, Pindar introduces Joe to a series of "go-givers:" a restaurateur, a CEO, a financial adviser, a real estate broker, and the "Connector," who brought them all together. Pindar's friends share with Joe the Five Laws of Stratospheric Success and teach him how to open himself up to the power of giving. Joe learns that

changing his focus from getting to giving—putting others’ interests first and continually adding value to their lives—ultimately leads to unexpected returns. Imparted with wit and grace, *The Go-Giver* is a heartwarming and inspiring tale that brings new relevance to the old proverb “Give and you shall receive.” From the Hardcover edition. The author describes how he left a lucrative business consulting job to found the nonprofit Pencils of Promise, an organization responsible for building schools for the poor in developing countries around the world and which recently completed its two hundredth school. Written by entrepreneurial phenomenon Emily Williams, *I Heart My Life* is a guidebook for women to change their money mindset, get clarity on what they want and start living the life of their dreams. *I Heart My Life* is a guide for living life in a different way to everyone else—going for your desires and no longer letting doubt, shame, insecurity or other people's judgment stop you from moving forward with that "something big" you know you're meant for. It brings together mindset, money beliefs, success principles, vulnerability, and real-life stories of women who have made their career and life dreams come true. Emily Williams once couldn't even get a job at Starbucks. Yet she went on to move to a new country, clear \$30k in credit card debt and build a seven-figure coaching business from scratch. Having worked for years with thousands of women around the world to release what holds them back from the success they want, Emily is now sharing all her most powerful tools to help women radically transform their lives. In this book, you'll discover how to: * cultivate a success mindset and trust the intelligence within your heart * become clear about what you really want--then, go after it * embrace gratitude as a driver for your ambition and success * get big results and handle things when they don't go as planned * be consistent, persistent and confident on the path towards your dreams Whether you're dreaming of starting your own business, getting ahead in your career, or just experience more joy, adventure and fulfilment in your life, *I Heart My Life* will catapult you toward your greatest desires. There's a mantra that real writers know but wannabe writers don't. And the secret phrase is this: NOBODY WANTS TO READ YOUR SH*T. Recognizing this painful truth is the first step in the writer's transformation from amateur to professional. From Chapter Four: “When you understand that nobody wants to read your shit, you develop empathy. You acquire the skill that is indispensable to all artists and entrepreneurs—the ability to switch back and forth in your imagination from your own point of view as writer/painter/seller to the point of view of your reader/gallery-goer/customer. You learn to ask yourself with every sentence and every phrase: Is this interesting? Is it fun or challenging or inventive? Am I giving the reader enough? Is she bored? Is she following where I want to lead her? Now in its third edition, *The Suitcase Entrepreneur* teaches readers how to package and sell their skills to earn enough money to be able to work and live anywhere, build a profitable online business, and live life on their own terms. With new material pertinent to today’s business world, readers will receive the blueprint to create their ideal lifestyle and become their own digital nomad. After eight years of working in the soul-crushing bureaucracy of the corporate world, Natalie Sisson quit her high-paying job and moved to Canada, started a blog, and cofounded a technology company. In just eighteen months she learned how to build an online platform from scratch, and then left to start her own business—which involved visiting Argentina to eat empanadas, play Ultimate Frisbee, and launch her first digital product. After five years, she now runs a six-figure business from her laptop, while living out of a suitcase and teaching entrepreneurs worldwide how to build a business and lifestyle they love. In *The Suitcase Entrepreneur* you’ll learn how to establish your business online, reach a global audience, and build a virtual team to give you more free time, money, and independence. With a new introduction, as well as updated resources and information, this practical guide uncovers the three key stages of creating a self-sufficient business and how to become a successful digital nomad and live life on your own terms. Winner of a 2017 NAACP Image Award for Outstanding Literary Work, this moving manifesto “empowers women to access a fearlessness that will enable community progress” (*Essence*). Through one incredible woman’s journey from a small Zimbabwe village to becoming one of the world’s most recognizable voices in women’s empowerment and education, this book “can help any woman achieve her full potential” (*Kirkus Reviews*). Before Tererai Trent landed on Oprah’s stage as her “favorite guest of all time,”

she was a woman with a forgotten dream. As a young girl in a cattle-herding village in Zimbabwe, she dreamed of receiving an education but instead was married young and by eighteen, without a high school graduation, she was already a mother of three. Tererai encountered a visiting American woman who assured her that anything was possible, reawakening her sacred dream. Tererai planted her dreams deep in the earth and prayed they would grow. They did, and now not only has she earned her PhD but she has also built schools for girls in Zimbabwe, with funding from Oprah. The *Awakened Woman: A Guide for Remembering & Igniting Your Sacred Dreams* is her accessible, intimate, and evocative guide that teaches nine essential lessons to encourage all women to reexamine their dreams and uncover the power hidden within them—power that can recreate our world for the better. Tererai points out that there is a massive, untapped, global resource in women who have, for one reason or another, set aside their wisdom, their skills, and their dreams in order to take care of the personal business of their lives. Not only is this a type of invisible suffering experienced by countless women, this rich resource is a secret weapon for improving our world. Women have the capacity to inspire, to create, to transform—and Tererai’s call to action “shines as a beacon of hope to women everywhere” (Danica McKellar, actress and New York Times bestselling author). The Active Living philosophy is how Lorna lives her life; by moving, nourishing and believing everyday - a practice that has evolved into a global movement. Active Living makes being fit and healthy simple because it breaks it down in to a daily practice that anyone can fit into his or her busy life -it's ultimately a change in mindset. By moving your body everyday, giving your body the nutrients it needs to think and perform at it's best and going forward in life with a positive mindset you will discover an abundance of energy and mindfulness, which is vital for long-term wellbeing and improved mental health. We can choose to do anything, but not everything in life - that's why it's important to know your priorities. #1 NEW YORK TIMES BESTSELLER • REESE’S BOOK CLUB PICK • A timely and important book that challenges everything we think we know about cultivating true belonging in our communities, organizations, and culture, from the #1 bestselling author of *Rising Strong*, *Daring Greatly*, and *The Gifts of Imperfection* Don’t miss the five-part HBO Max docuseries *Brené Brown: Atlas of the Heart!* “True belonging doesn’t require us to change who we are. It requires us to be who we are.” Social scientist Brené Brown, PhD, MSW, has sparked a global conversation about the experiences that bring meaning to our lives—experiences of courage, vulnerability, love, belonging, shame, and empathy. In *Braving the Wilderness*, Brown redefines what it means to truly belong in an age of increased polarization. With her trademark mix of research, storytelling, and honesty, Brown will again change the cultural conversation while mapping a clear path to true belonging. Brown argues that we’re experiencing a spiritual crisis of disconnection, and introduces four practices of true belonging that challenge everything we believe about ourselves and each other. She writes, “True belonging requires us to believe in and belong to ourselves so fully that we can find sacredness both in being a part of something and in standing alone when necessary. But in a culture that’s rife with perfectionism and pleasing, and with the erosion of civility, it’s easy to stay quiet, hide in our ideological bunkers, or fit in rather than show up as our true selves and brave the wilderness of uncertainty and criticism. But true belonging is not something we negotiate or accomplish with others; it’s a daily practice that demands integrity and authenticity. It’s a personal commitment that we carry in our hearts.” Brown offers us the clarity and courage we need to find our way back to ourselves and to each other. And that path cuts right through the wilderness. Brown writes, “The wilderness is an untamed, unpredictable place of solitude and searching. It is a place as dangerous as it is breathtaking, a place as sought after as it is feared. But it turns out to be the place of true belonging, and it’s the bravest and most sacred place you will ever stand.” **THESE HABITS WILL MAKE YOU EXTRAORDINARY.** Twenty years ago, author Brendon Burchard became obsessed with answering three questions: 1. Why do some individuals and teams succeed more quickly than others and sustain that success over the long term? 2. Of those who pull it off, why are some miserable and others consistently happy on their journey? 3. What motivates people to reach for higher levels of success in the first place, and what practices help them improve the most After extensive original research and a decade as the

world's leading high performance coach, Burchard found the answers. It turns out that just six deliberate habits give you the edge. Anyone can practice these habits and, when they do, extraordinary things happen in their lives, relationships, and careers. Which habits can help you achieve long-term success and vibrant well-being no matter your age, career, strengths, or personality? To become a high performer, you must seek clarity, generate energy, raise necessity, increase productivity, develop influence, and demonstrate courage. The art and science of how to do all this is what this book is about. Whether you want to get more done, lead others better, develop skill faster, or dramatically increase your sense of joy and confidence, the habits in this book will help you achieve it faster. Each of the six habits is illustrated by powerful vignettes, cutting-edge science, thought-provoking exercises, and real-world daily practices you can implement right now. If you've ever wanted a science-backed, heart-centered plan to living a better quality of life, it's in your hands. Best of all, you can measure your progress. A link to a free professional assessment is included in the book. This is the first book on Ortho-Bionomy, a bodywork technique which is quickly gaining popularity among laypeople and therapists from all bodywork disciplines. Kathy Kain gives clear descriptions of the philosophy and concepts of Ortho-Bionomy. The illustrations and easy to understand technical instructions show the standard releases taught in Ortho-Bionomy classes. The student is guided from the beginning of a session to the end in learning this gentle, effective approach to somatic re-education. Ortho-Bionomy's primary benefit lies in helping people to break the cycle of pain by learning how to correct structural and somatic dysfunction and to release stress. This noninvasive, quick acting approach is an effective preparation for mobilization, movement and therapeutic exercise. What are you waiting for? Hardly anyone gets it right the first time, but many of us are crippled by indecision and fear of failure. The desire to get it right can inhibit us from getting started. In this book Rob Moore, the bestselling author of MONEY, shows that the quickest way to perfect is starting right now and improving as you go. This book will show you how to launch your business or idea, begin the next phase of your career, and overcome self-doubt - right away. Get perfect later, get started NOW. A business memoir from fifteen year-old lemonade entrepreneur and one of TIME Magazine's Top 30 Most Influential Teens, Mikaila Ulmer, and her advice for life and business. When Mikaila Ulmer was four, she was stung by a bee--twice in one week. She was terrified of going outside, so her parents encouraged her to learn more about bees so she wouldn't be afraid. It worked. Mikaila didn't just learn what an important role bees play in our ecosystem, but she also learned bees are endangered, and set out to save them. She started by selling cups of lemonade in front of her house and donating the small proceeds to organizations dedicated to bee conservation. When she realized the more lemonade she sold, the more bees she could help, Me & the Bees Lemonade was born. Now she sells her lemonade across the country. From meetings with Fortune 500 CEOs, to securing a deal on Shark Tank, to even visiting the Obama White House, Mikaila's lemonade and passion for bee conservation have taken her far. In Bee Fearless, part memoir, part business guide, Mikaila--now fifteen--shares her personal journey and special brand of mindful entrepreneurship and offers helpful tips and guidance for young readers interested in pursuing their own ventures, instilling in them the bee-lief that they can be fearless and achieve their dreams too. When a career-ending injury left elite athlete and professional football player Lewis Howes out of work and living on his sister's couch, he decided he needed to make a change for the better. He started by reaching out to people he admired, searching for mentors, and applying his past coaches' advice from sports to life off the field. Lewis did more than bounce back: He built a multimillion-dollar online business and is now a sought-after business coach, speaker, and podcast host. In the New York Times bestseller The School of Greatness, Howes shares the essential tips and habits he gathered in interviewing "the greats" on his wildly popular podcast of the same name. In discussion with people like Olympic gold medalist Shawn Johnson and Pencils of Promise CEO Adam Braun, Howes figured out that greatness is unearthed and cultivated from within. The masters of greatness are not successful because they got lucky or are innately more talented, but because they applied specific habits and tools to embrace and overcome adversity in their lives. A framework for personal development, The School of Greatness gives you the tools, knowledge, and

actionable resources you need to reach your potential. Howes anchors each chapter with a specific lesson he culled from his greatness "professors" and his own experiences to teach you how to create a vision, develop hustle, and use dedication, mindfulness, joy, and love to reach goals. His lessons and practical exercises prove that anyone is capable of achieving success and that we can all strive for greatness in our everyday lives. In fact, it can be scary, exhausting and demoralising. When it finally takes off, even though you're fulfilling a lifelong dream, it can be a struggle to keep up with the rest of your life. How can you cope with the inevitable stresses and strains along the way? In The Business Survival Kit, serial entrepreneurs Byron Cole and Bianca Miller-Cole prepare you for the ride of your life. With straight-talking advice and insights from leading experts it will help you answer the fundamental question of whether you can handle being an entrepreneur in the first place and then help you navigate the inevitable ups and many downs that go hand in hand with that decision. Learn how to: *Cope with stress, anxiety and uncertainty *Build your confidence and tackle impostor syndrome *Maintain a healthy work/life balance *Build strong networks and nurture your personal relationships *And stay motivated (even in the midst of failure) Having a good relationship with money is tough—whether you have millions in the bank or just a few bucks to your name. Why? Because just like any other relationship, your life with money has its ups and downs, its twists and turns, its breakups and makeups. And just like other relationships, living happily with money really comes down to love—which is why love is the basis of money maven Kate Northrup's book. After taking the Money Love Quiz to see where on the spectrum your relationship with money stands—somewhere between "on the outs" and "it's true love!"—Northrup takes you on a rollicking ride to a better understanding of yourself and your money. Step-by-step exercises that address both the emotional and practical aspects of your financial life help you figure out your personal perceptions of money and wealth and how to change them for the better. You'll learn about thought patterns that may be holding you back from earning what you're worth or saving what you can. You'll learn how to chart your current financial life and create a plan to get you to where you want to be—whether that's earning enough to live in a penthouse in Manhattan or a cabin in the Rockies. Using client stories and her own saga of moving from \$20,000 of debt to complete financial freedom by the age of 28, Northrup acts as a guide in your quest for personal financial freedom. She'll teach you how to shift your beliefs about money, create a budget, spend in line with your values, get out of debt, and so much more. In short, she'll teach you to love your money, so you can love your life. A practical and spiritual guide for working moms to learn how to have more by doing less. This is a book for working women and mothers who are ready to release the culturally inherited belief that their worth is equal to their productivity, and instead create a personal and professional life that's based on presence, meaning, and joy. As opposed to focusing on "fitting it all in," time management, and leaning in, as so many books geared at ambitious women do, this book embraces the notion that through doing less women can have--and be--more. The addiction to busyness and the obsession with always trying to do more leads women, especially working mothers, to feel like they're always failing their families, their careers, their spouses, and themselves. This book will give women the permission and tools to change the

way they approach their lives and allow them to embrace living in tune with the cyclical nature of the feminine, cutting out the extraneous busyness from their lives so they have more satisfaction and joy, and letting themselves be more often instead of doing all the time. Do Less offers the reader a series of 14 experiments to try to see what would happen if she did less in one specific way. So, rather than approaching doing less as an entire life overhaul (which is overwhelming in and of itself), this book gives the reader bite-sized steps to try incorporating over 2 weeks! Laura Huang, an award-winning Harvard Business School professor, shows that success is about gaining an edge: that elusive quality that gives you an upper hand and attracts attention and support. Some people seem to naturally have it. Now, Huang teaches the rest of us how to create our own from the challenges and biases we think hold us back, and turning them to work in our favor. How do you find a competitive edge when the obstacles feel insurmountable? How do you get people to take you seriously when they're predisposed not to, and perhaps have already written you off? Laura Huang has come up against that problem many times--and so has anyone who's ever felt out of place or underestimated. Many of us sit back quietly, hoping that our hard work and effort will speak for itself. Or we try to force ourselves into the mold of who we think is "successful," stifling the creativity and charm that makes us unique and memorable. In *Edge*, Huang offers a different approach. She argues that success is rarely just about the quality of our ideas, credentials, and skills, or our effort. Instead, achieving success hinges on how well we shape others' perceptions--of our strengths, certainly, but also our flaws. It's about creating our own edge by confronting the factors that seem like shortcomings and turning them into assets that make others take notice. Huang draws from her groundbreaking research on entrepreneurial intuition, persuasion, and implicit decision-making, to impart her profound findings and share stories of previously-overlooked Olympians, assistants-turned-executives, and flailing companies that made momentous turnarounds. Through her deeply-researched framework, Huang shows how we can turn weaknesses into strengths and create an edge in any situation. She explains how an entrepreneur scored a massive investment despite initially being disparaged for his foreign accent, and how a first-time political candidate overcame voters' doubts about his physical disabilities. *Edge* shows that success is about knowing who you are and using that knowledge unapologetically and strategically. This book will teach you how to find your unique edge and keep it sharp. The only way to succeed in this competitive world of online coaching is if you hustle, day in and day out. Or is it? Amy Birks says it's time to quit hustling. But some fear that if they stop hustling like Gary Vaynerchuk they'll sabotage their hard-earned success. What if they could actually get better results by working less and having more fun? *The Hustle-Free Business* dispels the myth that "hustle" is the only path to success. Amy Birks, *The Strategy Ninja*, has developed an indispensable 7-step process to help frustrated, overworked coaches generate the results they really want. No overtime required. If Amy Poehler and Harvey Keitel's "The Wolf" from *Pulp Fiction* had a love child, Amy Birks would be it. Her block-busting, no-nonsense, take-action-now style of coaching pairs perfectly with her irreverent wit and unrestrained enthusiasm for helping her clients bring their epic missions to life today. Not tomorrow, not someday. TODAY! If you've ever felt too overwhelmed to make a difference, or just unsure of how to apply your unique skills to a bigger purpose, this book is ready to unlock your potential. When you feel that pull to be part of social change, where do you start? How can you ensure that your good intentions create a positive impact? How do you focus your scattered efforts? And how do you sustain yourself throughout? *Impact* brings you the answers. Drawing on their network and experience as founders of *She's the First*, Christen Brandt and Tammy Tibbetts show you how to create your own impact strategy, one that fits into your life and allows you to match what you have with what the world needs. Their guidance, paired with interactive activities, will lead you to identify your North Star, find the right partners, and plug into movements for long-term, systemic change. Equally important, you'll learn how to address biases, practice allyship, and shift power to become more inclusive and effective in your journey. Can a woman like me, with just the spark of an idea, actually start a business and make money? Can I have a meaningful career that fits into my life, instead of fitting my life into the cracks of my work schedule? If you're asking these questions, you've come to

the right place —and the answer is a resounding YES! Sage Lavine is the CEO of Women Rocking Business, a consulting and coaching organization that has helped nearly 100,000 aspiring women entrepreneurs around the globe to build businesses that change the world. Her revolutionary approach is based on honoring innate feminine values: we become thriving entrepreneurs by empowering others rather than having power over them, working in a spirit of collaboration rather than competition, and prioritizing contribution rather than gain. In this book, Sage gives you the road map that has guided thousands of her clients —professional women in fields from health care to manufacturing to consulting, from therapists and artists to yoga teachers and real estate agents —to build their own successful and sustainable businesses on their own terms. You'll learn how to:

- Identify your gift to the world
- Heal your relationship with money
- Build a support network of entrepreneurial sisters
- Plan winning strategies for marketing, sales, and service
- Achieve success by working just 12 days a month (yes, it's true!)
- And much more

Filled with real-life case studies, integration exercises, and practical advice on every aspect of entrepreneurship, *Women Rocking Business* is an answered prayer for any woman who wants to get a business off the ground or take it to the next level. If you're ready to make the difference you were born to make, Sage is ready to show you the way. You've got this! A #1 New York Times Bestseller "This book will change lives." --Elizabeth Gilbert, author of *Eat, Pray, Love Now* in paperback with a new prologue, the indispensable handbook for becoming the creative force of your own life by the host of the award-winning MarieTV and The Marie Forleo Podcast. While most self-help books offer quick fixes, *Everything is Figureoutable* will retrain your brain to think more creatively and positively in the face of setbacks. In the words of Cheryl Strayed, it's "a must-read for anyone who wants to face their fears, fulfill their dreams, and find a better way forward." If you're having trouble solving a problem or reaching a dream, the problem isn't you. It's that you haven't yet installed the one belief that changes everything. Marie's mom once told her, "Nothing in life is that complicated. You can do whatever you set your mind to if you roll up your sleeves. Everything is figureoutable." Whether you want to leave a dead end job, break an addiction, learn to dance, heal a relationship, or grow a business, *Everything is Figureoutable* will show you how. In this revised and updated edition, you'll learn: The habit that makes it 42% more likely you'll achieve your goals. How to overcome a lack of time and money. How to deal with criticism and imposter syndrome. It's more than just a fun phrase to say. It's a philosophy of relentless optimism. A mindset. A mantra. A conviction. Most important, it's about to make you unstoppable. "When the odds were against me, I was always at my best." When she retired at age 19, Shannon Miller did so as one of the most recognizable gymnasts in the country. The winner of seven Olympic medals and the most decorated gymnast, male or female, in U.S. history, Shannon tells a story of surviving and thriving. A shy, rambunctious girl raised in Oklahoma, Shannon fell in love with gymnastics at a young age and fought her way to the top. In 1992 she won five Olympic medals after breaking her elbow in a training accident just months prior to the Games. Then, in 1996, a doctor advised her to retire immediately or face dire consequences if she chose to compete on her injured wrist. Undeterred, Shannon endured the pain and led her team, the "Magnificent Seven," to the first Olympic team gold medal for the United States in gymnastics. She followed up as the first American to win gold on the balance beam. Equally intense, heroic and gratifying is the story of her brutal but successful battle with ovarian cancer, a disease from which fewer than fifty percent survive. Relying on her faith and hard-learned perseverance, Shannon battled through surgery and major chemotherapy to emerge on the other side with a miracle baby girl. Her story of trial, triumph and life after cancer reminds us all that its life's bumps and bruises that reveal our character. From early on in her career, Shannon knew that life wasn't about perfection. In this incredible and inspirational tale, Shannon speaks out so as to be seen and heard by thousands as a beacon of hope.
