Vigil Harbor Apr 10 2021 From the National Book Award-winning, bestselling author of Three Junes comes "an engrossing, richly drawn and exquisitely told story of small-town residents grappling with the difficulties of changing times" (People). "Full of secrets and surprises...A must-read." —J. Courtney Sullivan, author of Friends and Strangers When two unexpected visitors arrive in an insular coastal village, they threaten the equilibrium of a community already confronting climate instability, political violence, and domestic upheavals. A decade from now, in the historic town of Vigil Harbor, there is a rash of divorces among the yacht-club set, a marine biologist

despairs at the state of the world, a spurned wife is bent on revenge, and the renowned architect Austin Kepner pursues a passion for building homes designed to withstand the escalating fury of relentless storms. Austin's stepson, Brecht, has dropped out of college in New York and returned home after narrowly escaping one of the terrorist acts that, like hurricanes, have become increasingly common. Then two strangers arrive: a stranded traveler with subversive charms and a widow seeking clues about a past lover with ties to Austin—a woman who may have been more than merely human. These strangers and their hidden motives come together unexpectedly in an incident that endangers lives—including Brecht's—with dramatic repercussions for the entire town. Vigil Harbor reveals Julia Glass in all her virtuosity, braiding multiple voices and dazzling strands of plot into a story where mortal longings and fears intersect with immortal mysteries of the deep as well as of the heart.

*Glass Flowers Mar 10 2021 "From orchids to bananas, Leopold and Rudolf Blaschka created a stunning array of glass models of plants from around the world. Working exclusively for Harvard University in the late 19th and early 20th centuries, the Blaschkas applied their artistic expertise and botanical knowledge to craft a meticulously portrayed collection for Harvard students, researchers and the public. The precise shaping and delicate painting and enameling of the models renders life-like details that fool the eye. Such detail is captured in dazzling new photographs of 60 models that inspire wonder and blur the line between the real and that which is made by man. The Ware Collection of Glass Plants is unique and astonishing. It demonstrates the majesty of plants and the artistry and scientific acumen of this father and son team"--
New Connections in Chain Mail Jewelry with Rubber and Glass*

Rings Jan 26 2020 In this gorgeous book, Kat Wisniewski, a chain mail artist, teacher, and owner of Elemental Art Jewelry offers 25 unique projects, each using closed rings, glass and rubber with the chain mail to add color and texture. Jewelry makers can choose from a variety of bracelets, necklaces, earrings and pendants. All the projects are made using a new pattern (not the basic, traditional weaves). The jewelry is colorful, creative, and very wearable. Even advanced chain mailers will learn something new in this book: how to incorporate closed rings for beautiful results.

Through the Language Glass Jun 12 2021 A masterpiece of linguistics scholarship, at once erudite and entertaining, confronts the thorny question of how—and whether—culture shapes language and language, culture Linguistics has long shied away from claiming any link between a language and the culture of its speakers: too much simplistic (even bigoted) chatter about the romance of Italian and the goose-stepping orderliness of German has made serious thinkers wary of the entire subject. But now, acclaimed linguist Guy Deutscher has dared to reopen the issue. Can culture influence language—and vice versa? Can different languages lead their speakers to different thoughts? Could our experience of the world depend on whether our language has a word for "blue"? Challenging the consensus that the fundamentals of language are hard-wired in our genes and thus universal, Deutscher argues that the answer to all these questions is—yes. In thrilling fashion, he takes us from Homer to Darwin, from Yale to the Amazon, from how to name the rainbow to why Russian water—a "she"—becomes a "he" once you dip a tea bag into her, demonstrating that language does in fact reflect culture in ways that are anything but trivial. Audacious, delightful, and field-changing, Through the Language Glass is a classic of intellectual discovery.

A House Among the Trees May 31 2020 From the National Book Award-winning author of *Three Junes*, a richly imagined novel that begins just after the sudden death of world-renowned children's book author Mort Lear, who leaves behind a wholly unexpected will, an idyllic country house, and difficult secrets about a childhood far darker than those of the beloved characters he created for young readers of all ages. Left to grapple with the consequences of his final wishes are Tommy Daulair, his longtime live-in assistant; Merry Galarza, a museum curator betrayed by those wishes; and Nick Greene, a beguiling actor preparing to play Lear in a movie. When Nick pays a visit to Lear's home, he and Tommy confront what it means to be entrusted with the great writer's legacy and reputation. Tommy realizes that despite his generous bequest, the man to whom she devoted decades of her life has left her with grave doubts about her past as well as her future. Vivid and gripping, filled with insight and humor, *A House Among the Trees* is an unforgettable story about friendship and love, artistic ambition, the perils of fame, and the sacrifices made by those who serve the demands of a creative genius.

The Great Glass Sea Dec 27 2019 A New York Times Editors' Choice, this epic tale of brotherly love set in a dystopian alternate reality is filled with the magic of Russian folklore. After their father's death, twin brothers Yarik and Dima grew up together on their uncle's farm, spending their days helping

*fishermen and their nights spellbound by their uncle's stories. Years later, the two men labor at the Oranzheria, a sprawling glass greenhouse and a capitalist experiment that keeps the surrounding townspeople in perpetual daylight. Work is now all the twins have in common. Stalwart Yarik is married with children, and oppressed by the burden of responsibility and the pressures of work, while dreamer Dima lives with his mother—and rooster—and spends his time planning the brothers' return to their uncle's land. Then one day a bizarre encounter with the Oranzheria's ruthless owner changes everything. Soon they find themselves at the center of strange conspiracies, disasters, and deceptions that threaten all they know. Winner of the Dayton Literary Peace Prize, the Library of Virginia Literary Award for Fiction, and the GrubStreet National Book Prize. A featured Los Angeles Times "Summer Book," a Bustle "Best Book for July," and one of Flavorwire's "10 Must Read Books for July." "A genuinely fascinating novel—for its inventiveness, its passionate breadth and vision." —Richard Ford "Among the most gifted writers of his generation."

The Glass Bees Aug 15 2021 In The Glass Bees the celebrated German writer Ernst Jünger presents a disconcerting vision of the future. Zapparoni, a brilliant businessman, has turned his advanced understanding of technology and his strategic command of the information and entertainment industries into a discrete form of global domination. But Zapparoni is worried that the scientists he depends on might sell his secrets. He needs a chief of security, and Richard, a veteran and war hero, is ready for the job. However, when he arrives at the beautiful country compound that is Zapparoni's headquarters, he finds himself subjected to an unexpected ordeal. Soon he is led to question his past, his character, and even his senses....

For reasons both ambitious and desperate, she accepts—heading west without her husband.

The Glass Constellation Apr 22 2022 "This book is an overwhelming feast, a treasure, and more than enough proof that Sze is a major poet." —NPR National Book Award winner Arthur Sze is a master poet, and *The Glass Constellation* is a triumph spanning five decades, including ten poetry collections and twenty-six new poems. Sze began his career writing compressed, lyrical poems influenced by classical Chinese poetry; he later made a leap into powerful polysemous sequences, honing a distinct stylistic signature that harnesses luminous particulars, and is sharply focused, emotionally resonant, and structurally complex. Fusing elements of Chinese, Japanese, Native American, and various Western experimental traditions—employing startling juxtapositions that are always on target, deeply informed by concern for our endangered planet and troubled species—Arthur Sze presents experience in all its multiplicities, in singular book after book. This collection is an invitation to immerse in a visionary body of work, mapping the evolution of one of our finest American poets.

Agents of the Glass: A New Recruit Jul 26 2022 "With topical

themes, high-speed action, and a neat resolution, this is likely to be a popular read. The emphasis on good character—especially compassion, courage, integrity, and discipline—is nice to see."

--Kirkus "Quick and pulsepounding and the stakes are high."

--Booklist The Agents of the Glass are at the front lines of the fight between good and evil, and they have a new recruit. But is he up to the task? Andover James Llewellyn, aka Andy, did the unthinkable: he turned in a bag of money he found on the street after a bank robbery. His selfless action caught the attention of the Agents of the Glass. Now, as one of the agency's newest recruits, Andy is tasked with following the actions of a dangerous student at this new school, only he doesn't know which student. Is it Winter Neale, model student with countless extracurricular activities? Or could it be Jensen Huntley, an antagonistic, angry kid whose blog has angered the wrong people? Andy must determine his target quick, before the evil organization known as NTRP catches on to him. Will Andy succeed in his mission or will the Agents of the Glass have to find another recruit?

The Glass Sentence Aug 03 2020 For fans of The Golden Compass, this New York Times bestseller will take you on a fantastic journey across worlds and time. Boston, 1891. Sophia Tims comes from a family of explorers and cartographers who, for generations, have been traveling and mapping the New World—a world changed by the Great Disruption of 1799, when all the continents were flung into different time periods. Eight years ago, Sophia's parents left her with her uncle Shadrack, the foremost cartographer in Boston, and went on an urgent mission. They never returned. Then Shadrack is kidnapped. Sophia must search for him with the help of Theo, a refugee from the West. Together they travel over rough terrain and uncharted ocean, encounter pirates and traders, and rely on a

*combination of Shadrack's maps, common sense, and Sophia's unusual powers of observation. Little do they know that their lives are in as much danger as Shadrack's. A New York Times Bestseller! "I am in no doubt about the energy of S.E. Grove as a full-fledged, pathfinding fantasist. I look forward to the next installment to place upon the pile. Words Without Music: A Memoir Nov 29 2022 New York Times Bestseller "Reads the way Mr. Glass's compositions sound at their best: propulsive, with a surreptitious emotional undertow."—Corinna da Fonseca-Wollheim, New York Times Philip Glass has, almost single-handedly, crafted the dominant sound of late-twentieth-century classical music. Yet in Words Without Music, his critically acclaimed memoir, he creates an entirely new and unexpected voice, that of a born storyteller and an acutely insightful chronicler, whose behind-the-scenes recollections allow readers to experience those moments of creative fusion when life so magically merged with art. From his childhood in Baltimore to his student days in Chicago and at Juilliard, to his first journey to Paris and a life-changing trip to India, Glass movingly recalls his early mentors, while reconstructing the places that helped shape his creative consciousness. Whether describing working as an unlicensed plumber in gritty 1970s New York or composing Satyagraha, Glass breaks across genres and re-creates, here in words, the thrill that results from artistic creation. Words Without Music ultimately affirms the power of music to change the world.

Three Junes Mar 29 2020 NATIONAL BOOK AWARD WINNER

• **NATIONAL BESTSELLER** • *An astonishing novel that traces the lives of a Scottish family over a decade as they confront the joys and longings, fulfillments and betrayals of love in all its guises. In June of 1989 Paul McLeod, a newspaper publisher and recent widower, travels to Greece, where he falls for a young American artist and reflects on the complicated truth about his marriage.... Six years later, again in June, Paul's death draws his three grown sons and their families back to their ancestral home. Fenno, the eldest, a wry, introspective gay man, narrates the events of this unforeseen reunion. Far from his straitlaced expatriate life as a bookseller in Greenwich Village, Fenno is stunned by a series of revelations that threaten his carefully crafted defenses.... Four years farther on, in yet another June, a chance meeting on the Long Island shore brings Fenno together with Fern Olitsky, the artist who once captivated his father. Now pregnant, Fern must weigh her guilt about the past against her wishes for the future and decide what family means to her. In prose rich with compassion and wit, Three Junes paints a haunting portrait of love's redemptive powers.*

New Glass Architecture Aug 27 2022 A timely look at the ways in which glass is utilized in some of today's most beautiful and experimental building designs For centuries, glass has provoked fascination with its properties as a versatile material that permits light to enter buildings in spectacular ways. Much of modern architecture has been conceived by using glass to create increasingly minimal structures, to promote the notion of lightweight construction solutions, and to allow maximum daylight into buildings. New Glass Architecture showcases the changing ways that aesthetics and methods for using glass have been developing since the 1990s. The book begins with an introduction that traces the history of key moments in glass architecture--from the stained glass windows of Chartres Cathedral to the Crystal Palace of 1851, and early constructions by John Soane, Bruno Taut, Le Corbusier, and Mies van der Rohe. Author Brent Richards explains the importance of glass artists in the second half of the 20th century and describes developments in glass technology over the last twenty years. Beautifully illustrated with newly commissioned photographs by Dennis Gilbert, the book features twenty-five case studies of recent glass constructions from around the world by such

leading architects as Foster and Partners, Frank Gehry, Herzog & de Meuron, Steven Holl, Toyo Ito & Associates, Jean Nouvel, Raphael Viñoly, and Peter Zumthor. Each building is illustrated in full color and accompanied by detailed drawings. New Glass Architecture features these buildings and more: - Chapel of Ignatius, Seattle - Condé Nast Café, New York - DZ Bank, Berlin - Kimmel Center for the Performing Arts, Philadelphia - Kunsthaus, Graz, Austria - Laban Dance Centre, London - Torre Agbar, Barcelona

The Glass Kingdom Oct 17 2021 A NEW YORK TIMES NOTABLE BOOK • A NEW YORK TIMES EDITORS' CHOICE • A tense, stunningly well-observed novel of a young American on the run, from Lawrence Osborne, "an heir to Graham Greene" (The New York Times Book Review) "Bangkok is the star of this accomplished novel. Its denizens are aliens to themselves, glittering on the horizon of their own lives, moving—restless and rootless and afraid—though a cityscape that has more stories than they know."—Hilary Mantel, Booker Prize-winning author of Wolf Hall and Bring Up the Bodies Escaping New York for the anonymity of Bangkok, Sarah Mullins arrives in Thailand on the lam with nothing more than a suitcase of purloined money. Her plan is to lie low and map out her next move in a high-end apartment complex called the Kingdom, whose glass-fronted façade boasts views of the bustling city and glimpses into the vast honeycomb of lives within. It is not long before she meets the alluring Mali doing laps in the apartment pool, a fellow tenant determined to bring the quiet American out of her shell. An invitation to Mali's weekly poker nights follows, and—fueled by shots of yadong, good food, and gossip—Sarah soon falls in with the Kingdom's glamorous circle of ex-pat women. But as political chaos erupts on the streets below and attempted uprisings wrack the city, tensions tighten within the gilded

compound. When the violence outside begins to invade the Kingdom in a series of strange disappearances, the residents are thrown into suspicion: both of the world beyond their windows and of one another. And under the constant surveillance of the building's watchful inhabitants, Sarah's safe haven begins to feel like a snare. From a master of atmosphere and mood, The Glass Kingdom is a brilliantly unsettling story of civil and psychological unrest, and an enthralling study of karma and human greed.

Glass House Dec 07 2020 For readers of Hillbilly Elegy and Strangers in Their Own Land WINNER OF THE OHIOANA BOOK AWARDS AND FINALIST FOR THE 87TH CALIFORNIA BOOK AWARDS | NAMED A BEST/MOST ANTICIPATED BOOK OF 2017 BY: New York Post • Newsweek • The Week • Bustle • Books by the Banks Book Festival • Bookauthority.com The Wall Street Journal: "A devastating portrait...For anyone wondering why swing-state America voted against the establishment in 2016, Mr. Alexander supplies plenty of answers." Laura Miller, Slate: "This book hunts bigger game. Reads like an odd?and oddly satisfying?fusion of George Packer's The Unwinding and one of Michael Lewis' real-life financial thrillers." The New Yorker : "Does a remarkable job." Beth Macy, author of Factory Man: "This book should be required reading for people trying to understand Trumpism, inequality, and the sad state of a needlessly wrecked rural America. I wish I had written it." In 1947, Forbes magazine declared Lancaster, Ohio the epitome of the all-American town. Today it is damaged, discouraged, and fighting for its future. In Glass House, journalist Brian Alexander uses the story of one town to show how seeds sown

35 years ago have sprouted to give us Trumpism, inequality, and an eroding national cohesion. The Anchor Hocking Glass Company, once the world's largest maker of glass tableware, was the base on which Lancaster's society was built. As Glass House unfolds, bankruptcy looms. With access to the company and its leaders, and Lancaster's citizens, Alexander shows how financial engineering took hold in the 1980s, accelerated in the 21st Century, and wrecked the company. We follow CEO Sam Solomon, an African-American leading the nearly all-white town's biggest private employer, as he tries to rescue the company from the New York private equity firm that hired him. Meanwhile, Alexander goes behind the scenes, entwined with the lives of residents as they wrestle with heroin, politics, high-interest lenders, low wage jobs, technology, and the new demands of American life: people like Brian Gossett, the fourth generation to work at Anchor Hocking; Joe Piccolo, first-time director of the annual music festival who discovers the town relies on him, and it, for salvation; Jason Roach, who police believed may have been Lancaster's biggest drug dealer; and Eric Brown, a local football hero-turned-cop who comes to realize that he can never arrest Lancaster's real problems.

*The Glass Hotel Jul 14 2021 INTERNATIONAL BESTSELLER • From the bestselling author of *Station Eleven* and *Sea of Tranquility*, an exhilarating novel set at the glittering intersection of two seemingly disparate events—the exposure of a massive criminal enterprise and the mysterious disappearance of a woman from a ship at sea. “The perfect novel ... Freshly mysterious.” —The Washington Post Vincent is a bartender at the Hotel Caiette, a five-star lodging on the northernmost tip of Vancouver Island. On the night she meets Jonathan Alkaitis, a hooded figure scrawls a message on the lobby's glass wall: Why don't you swallow broken glass. High above Manhattan, a greater crime is committed: Alkaitis's billion-dollar business is really nothing more than a game of smoke and mirrors. When his scheme collapses, it obliterates countless fortunes and devastates lives. Vincent, who had been posing as Jonathan's wife, walks away into the night. Years later, a victim of the fraud is hired to investigate a strange occurrence: a woman has seemingly vanished from the deck of a container ship between ports of call. In this captivating story of crisis and survival, Emily St. John Mandel takes readers through often hidden landscapes: campgrounds for the near-homeless, underground electronica clubs, service in luxury hotels, and life in a federal prison. Rife with unexpected beauty, *The Glass Hotel* is a captivating portrait of greed and guilt, love and delusion, ghosts and unintended consequences, and the infinite ways we search for meaning in our lives. Look for Emily St. John Mandel's bestselling new novel, *Sea of Tranquility*!*

Taming the Megabanks Sep 03 2020 Banks were allowed to

*enter securities markets and become universal banks during two periods in the past century - the 1920s and the late 1990s. Both times, universal banks made high-risk loans and packaged them into securities that were sold as safe investments to poorly-informed investors. Both times, universal banks promoted unsustainable booms that led to destructive busts - the Great Depression of the early 1930s and the Global Financial Crisis of 2007-09. Both times, governments were forced to arrange costly bailouts of universal banks. Congress passed the Glass-Steagall Act of 1933 in response to the Great Depression. The Act broke up universal banks and established a decentralized financial system composed of three separate and independent sectors: banking, securities, and insurance. That system was stable and successful for over four decades until the big-bank lobby persuaded regulators to open loopholes in Glass-Steagall during the 1980s and convinced Congress to repeal it in 1999. Congress did not adopt a new Glass-Steagall Act after the Global Financial Crisis. Instead, Congress passed the Dodd-Frank Act. Dodd-Frank's highly technical reforms tried to make banks safer but left in place a dangerous financial system dominated by universal banks. Universal banks continue to pose unacceptable risks to financial stability and economic and social welfare. They exert far too much influence over our political and regulatory systems because of their immense size and their undeniable "too-big-to-fail" status. In *Taming the Megabanks*, Arthur Wilmarth argues that we must again separate banks from securities markets to avoid another devastating financial crisis and ensure that our financial system serves Main Street business firms and consumers instead of Wall Street bankers and speculators. Wilmarth's comprehensive and detailed analysis demonstrates that a new Glass-Steagall Act would make our financial system much more stable and less likely to produce*

boom-and-bust cycles. Giant universal banks would no longer dominate our financial system or receive enormous subsidies. A more decentralized and competitive financial system would encourage banks and securities firms to fulfill their proper roles as servants - not masters - of Main Street businesses and consumers.

Gazetteer of Irish Stained Glass Nov 25 2019 Some thirty years since its first publication, David Caron returns with an updated, redesigned, and greatly expanded edition of the Gazetteer of Irish Stained Glass, the definitive guide to Irish stained glass from 1900 to the present day. Glass, Irony, and God Mar 22 2022 Anne Carson's poetry - characterized by various reviewers as "short talks", "essays", or "verse narratives" - combines the confessional and the critical in a voice all her own. Known as a remarkable classicist, Anne

Carson in Glass, Irony and God weaves contemporary and ancient poetic strands with stunning style. This collection includes: "The Glass Essay", a powerful poem about the end of a love affair, told in the context of Carson's reading of the Bronte sisters; "Book of Isaiah", a poem evoking the deeply primitive feel of ancient Judaism; and "The Fall of Rome", about her trip to "find" Rome and her struggle to overcome feelings of a terrible alienation there.

Music by Philip Glass Oct 05 2020 The composer's discussions of the development of his music are accompanied by the librettos for his operas

New Technologies in Glass Dec 19 2021 The world of the glass artist is changing. Emerging technology for the cutting, engraving, and printing of glass is opening doors for those who want to work more quickly, more accurately, at larger scales and in multiples, and is stretching the boundaries of innovation. Profiling the latest technology, Vanessa Cutler gives an artist's perspective on new techniques, machinery and software in glass. Using straightforward language, she introduces the digital tools that are becoming an essential part of an artist's toolkit, and describes the application of new technologies, from cutting and engraving machinery to rapid prototyping. These practical essentials are illuminated by the work of contemporary glass artists, who are using these technologies to remarkable effect. New Technologies in Glass is a vital text for any glass artist wishing to expand their toolkit and challenge the possibilities of the medium.

The Glass Castle Jun 24 2022 A triumphant tale of a young woman and her difficult childhood, The Glass Castle is a remarkable memoir of resilience, redemption, and a revelatory look into a family at once deeply dysfunctional and wonderfully vibrant. Journalism Ethics Goes to the Movies Jan 20 2022 How far should a reporter go for a story? What's the role of the press at the scene of an emergency, or a murder? Why has journalism suddenly become so susceptible to plagiarism? Here's a book that poses these and other urgent questions--and offers candid answers. At a time when professionals and the public alike worry that journalism has lost its way, Journalism Ethics Goes to the Movies is available to provide much-needed, accessible guidance. Its twelve chapters, written by some of the nation's leading journalism scholars, explore issues that should concern anyone who aspires to a career in journalism, who works in the field, or who relies on news for daily information. Best of all, as the title suggests the contributors conduct their dynamic and engaging investigations at the movies, where sportswriters, war correspondents, investigative reporters, crime reporters, spin doctors, TV anchors, and harried city editors tackle these pressing issues. Journalism Ethics Goes to the Movies isn't your typical textbook. Using popular movies from Wag the Dog to Good Night, and Good Luck to illustrate the kind of ethical dilemmas journalists encounter on the job, this student-friendly book is sure to spark interest and stimulate thinking.

New Glass Now Jul 02 2020 New Glass Now celebrates 40 years of New Glass Review, an annual exhibition-in-print featuring 100 of the most timely, innovative projects in glass. It is curated from an open call for submissions by the curator of modern and contemporary glass at The Corning Museum of Glass and a changing panel of guest curators. This year's curators were: Aric Chen, Susanne Jøker Johnsen, Beth Lipman, and Susie J. Silbert.
